EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification, on page 1, line 1, please insert "This application is a 371 of PCT/CN00/00028, filed on 02/17/2000";

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Prior art of record, taken individually or collectively, fails to disclose "a method used by a radio system, for generating spread spectrum multiple access codes with a zero correlation window, comprising the steps of selecting a pair of complementary code groups (C1, S1), (C2, S2) with each code within the complementary code groups having a code length with N chips, where N is a number of chips; and spreading codes from the complementary code groups, with values of auto-correlation functions of each code of the complementary code groups being zero except at the origin, with the cross-correlation functions of each code of the complementary code groups forming the zero correlation window about the origin" in the manner as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
